T-SHIRTS FOR DESIGN ADDICTED

T-shirts created by a Design and Graphic Studio, Studiocharlie, done with pieces of Design, cats, famous cars and other monochrome graphics with a very sharp vectorial design.

T-shirts in a BASIC style, in one color, with vectorial graphics derived from the most loved Design objects. You find Algol 11 television and Cube radio by Brionvega, famous Bauhaus chairs, Vespa scooter, Eclisse lamp, Braun heater, Cinquecento FIAT, Lamborghini Countach. You can also find Cats, Dogs, Insects, Skulls, and other motives derived from Studiocharlie's dingbat typefaces: Design we like / Gattofont / Charliedog / Insects / Catacumbes / Washing Machine / Fontfoliae.

The T-shirts are on sale in the shop online, in different models for man and woman.

Accessing the section BUILD of the site (<http://studiocharlie-build.spreadshirt.net>), it is possible to create your own T-shirt and to decorate it with one of the many available motives.

All the graphics are inserted in the typefaces by Studiocharlie, you can watch and buy them on Myfonts, <http://www.myfonts.com/browse/foundry/studiocharlie/>
